

# Fundraising Made Easy!

***Do you feel like you are constantly trying to raise funds for your organization?***

***What if you could do the work once and continue to get paid month after month?***

If you answered “yes” to either one of these questions, the Escape Affinity Program is your solution! Our program will save your members money, provide the best service available and create a source of residual revenue for your organization. It also provides members another way to show their support!
